**Here's what one of our
clients got to say:**

*"From our initial discussions,
through to product release,
SSW were always proactive
in helping us create an
intuitive, and elegant
product..."*

(Owen Taylor - Sportstec)

LookOut!

Manage email with SSW LookOut! for Outlook

Did you ever hit the send/receive button only to realize that you forgot the attachment, or didn't 'reply all'? Email is a fundamental corporate communication tool used every day to manage staff, establish contacts and communicate with clients. Use **SSW LookOut!** to organise and manage your email and help ensure email is always an advantage to your business and not a liability! With tons of rules and auditing checks, **SSW LookOut!** also notifies the user whether emails are from people within their corporate Access or SQL Server database.

"Now that I've been using it for a little while, I don't think I can put it away - it's just too darn useful and makes too much sense to just stop using it. And that, my friends, is the first sign of really good software."
